JOIN OUR TEAM!

[TradeWinds Academy](#) is seeking to appoint passionate primary and pre-primary teachers to join our growing school community in September 2023. If you are a passionate and creative teacher who inspires a love of learning, we want to hear from you!

TradeWinds Academy is a privately-owned international school in Diani, Kenya. The school is located 800m from the award-winning [Diani Beach](#), and at the heart of a growing local and expatriate community.

Class sizes at TradeWinds Academy are small, to ensure that all children receive the attention that they deserve. In Early Years and throughout our Primary phase, we follow a tailored combination of the National Curriculum of England and Wales, and the International Primary Curriculum (IPC). Our goal is to provide a curriculum that is relevant to every child in our care.

TradeWinds adopts a thematic approach to learning and strives to create engaging links between different areas of the curriculum. Our teachers aim to capture the imagination of children and build upon their interests. We recognise children as individuals and we celebrate difference. Every child has the chance to shine. We pride ourselves on our pastoral care and offer a warm, supportive environment for children and faculty members. We provide a healthy work-life balance in a beautiful setting, and we put the wellbeing of our community members first.
